CRS "Callaway" Golf Putter

This immensely popular Odyssey White Hot Two-Ball Putter features a unique "two-ball" alignment design to help you visualize a line straight to the target. Imagine two white circular discs atop the putter head. Line them up with the ball on the green for a simple, consistent tool that visually helps you aim the putter to the hole. The extended mallet design lowers the center of gravity by pulling weight back away from the face, which reduces backspin at impact. Experience less skidding and skipping for a truer roll. In addition, the "White Hot" insert delivers a great soft feel and the maximum distance control. The White Hot "Two-Ball" Putter – better get in line!
